Delivery: South Africa: \*per selection. International 3-4 weeks via airmail and 8-12 weeks via surface mail.

*Note: Items will only be dispatched once payment has been cleared.*

**\*Mailing:** In view of considerable delays experienced at present with regular post office deliveries, the following options are available for local and international deliveries; please allow 2-3 days for order processing and bank clearance, subject to stock availability.

1. Regular insured local parcel post for books R70.00 (2kg). Delivery will take at least 7 working days or more.
2. Postnet to Postnet branch or Aramex economy local courier service R100.00 (5kg max) 2-3 working days.
3. DVDs via ordinary insured local parcel post R40 (1kg max) delivery as per 1) above,
4. DVDs via Speed Services Post Office courier (1kg max) R80.00 (2-3 working days, counter to counter).
5. For regular courier, local or international, kindly contact us, but note that these costs are considerably higher than the options 1) to 4) given above.
6. For international DVD orders, we recommend omitting cases, (which may be sourced locally) and ordering the discs and sleeves loose. These will be packed in a reinforced envelope and sent by registered letter airmail at R80.00 (300g max, delivery about 3 weeks)
7. Direct branch cash or cheque deposits attract a bank fee of R40.00 per transaction. Please add this to your deposit if using this method (hence, we strongly recommend the EFT route which attracts no bank charges locally)
